

Livenest

**We Shape
Your Home!**

About Our Company

Livenest is a dynamic and design-driven interior design firm, offering comprehensive end-to-end solutions in interior design and execution. Backed by years of industry expertise, we specialize in transforming residential and commercial spaces through creative, functional, and personalized interior solutions.

Our approach combines creativity with technical expertise to ensure every project is delivered with quality, precision, and a keen attention to detail. From conceptualization to execution, we manage every aspect of the interior journey, making us a one-stop solution for all your interior and renovation needs.

Interior Concepts

At Livenest, we believe that great design is a balance of aesthetics, functionality, and personal expression. We offer a wide range of interior concepts to suit diverse tastes, spaces, and lifestyles.:

Modern Minimalist

Clean lines, clutter-free spaces, and a neutral color palette define this concept. Ideal for urban homes and workspaces that value simplicity and elegance.:

Contemporary Elegance

A blend of current trends with timeless sophistication. This style features statement pieces, luxurious textures, and functional layouts

Classic & Traditional

Inspired by heritage, culture, and timeless design principles. Includes rich wooden finishes, ornate detailing, and warm tones.:

Industrial Chic

Raw finishes, exposed materials, and urban aesthetics. Perfect for loft-style homes, cafés, and creative workspaces.

Livenest

Color Palette

We also offer fully customized designs that blend various styles to match your personality and project goals. Whether it's Indo-Western fusion or theme-based interiors, we bring your vision to life.

🎨 Color Palette by Livenest

Color plays a powerful role in shaping the mood, style, and functionality of a space. At Livenest, we carefully curate color palettes that complement the space, enhance natural light, and reflect the client's personality.

1. Neutral & Earthy Tones

Colors: Ivory, Sand, Taupe, Warm Grey, Olive, Terracotta

Mood: Calm, timeless, and grounding – perfect for living areas and bedrooms.

Used In: Minimalist, Rustic, Scandinavian, and Contemporary concepts.

2. Monochrome & Modern Greys

Colors: White, Charcoal, Graphite, Silver

Mood: Sleek, clean, and urban – ideal for modern homes and commerc

Used In: Modern Minimalist, Industrial, and Office Interiors.

3. Soft Pastels

Colors: Blush Pink, Mint Green, Powder Blue, Peach

Mood: Light, playful, and airy – great for kids' rooms, cafés, and creative studios.

Furniture Layout Planning

At Livenest, furniture layout is more than just placing items in a room – it's about creating flow, functionality, and comfort. A well-planned layout can completely transform how a space is experienced and used.

Wall Décor by Livenest

Walls are not just boundaries — they're canvases for creativity, storytelling, and style. At Livenest, we bring life to walls through carefully curated décor solutions that add depth, texture, and personality to every space.

◆ Our Wall Décor Approach

1. Design Integration
2. Wall décor is planned in harmony with the overall interior theme — whether it's modern, traditional, rustic, or contemporary.
3. Material Play
4. We use a mix of materials like wood, fabric, stone, metal, and glass to add richness and texture to your walls.
5. Customization
6. We offer custom designs based on your preferences, lifestyle, or branding (for commercial spaces).

Flooring Ideas

Flooring forms the foundation of any interior. At Livenest, we believe that the right flooring enhances not just the aesthetics, but also the durability and comfort of the space. We offer a wide range of flooring solutions suited to different styles, functions, and budgets.

◆ Our Flooring Philosophy Design Harmony

We select flooring that complements wall colors, furniture, and the overall theme of the space.

Function-Focused Selection

We match materials based on usage — moisture resistance in bathrooms, warmth in bedrooms, or high durability for commercial zones.

Ease of Maintenance

We suggest low-maintenance options for homes with kids, pets, or high footfall.

Space Optimization

◆ Smart Storage. Seamless Design.

Our designs focus on maximizing utility while maintaining clean, clutter-free visuals. We integrate innovative storage solutions that blend with the design and enhance everyday convenience.

Our Key Space Optimization Features

- 1. Hidden Storage
 - Under-bed drawers
 - Concealed pull-out cabinets
 - False wall panels with hidden niches
 - Mirror panels with behind-the-glass storage

▴ Corner Units

- Corner TV units or floating shelves
 - L-shaped modular kitchen units with rotating pull-outs
 - Corner wardrobes or corner study desks
- Best for: Bedrooms, study rooms, kitchens, and small commercial spaces

Window Treatments

Windows are more than just openings — they're opportunities to enhance a room's ambiance, control light, and elevate style. At Livenest, we offer thoughtfully selected window treatments that balance functionality with design, tailored to suit each space's unique character. Our Window Styling Philosophy: Balance of Light & Privacy

We customize treatments to filter or block light as needed while maintaining comfort and privacy. Style Integration

Whether the space is modern, rustic, or luxurious, our window solutions are tailored to blend seamlessly with the overall interior concept. Function Meets Aesthetics

From blackout curtains to sheer drapes and motorized blinds — we offer options that are practical, beautiful, and easy to maintain.

Sleek Cabinets

Bathroom Aesthetics

Bathrooms are no longer just utility spaces — they are personal sanctuaries for comfort, refreshment, and self-care. At Livenest, we design bathrooms that are elegant, functional, and easy to maintain, using smart layouts and premium finishes that match your lifestyle

Our Bathroom Design Philosophy

- Form Meets Function We create layouts that maximize space and flow, with cleverly placed fixtures, vanity units, and storage.
- Aesthetic Harmony We use a cohesive combination of materials, textures, and colors to create serene and stylish spaces.

Livenest

Bedroom Comfort

A bedroom is a personal retreat — a place to unwind, recharge, and feel at peace. At Livenest, we design bedrooms that reflect warmth, comfort, and individuality through thoughtful space planning, cozy materials, and calming aesthetics.

Comfort-Led Layouts: We ensure smooth circulation around the bed, smart placement of wardrobes, and zones for rest, reading, and dressing. **Soothing Ambiance:** Lighting, color, textures, and décor are combined to promote calmness and quality rest. **Practical Elegance:**

We balance visual appeal with smart storage, durable materials, and timeless finishes.

Key Features of Our Bedroom Interiors

Bed & Headboard Design

- Custom upholstered headboards (tufted, fluted, panelled)
- Wooden or PU-finished bed frames
- Hydraulic storage or pull-out drawer beds
